

SACRAMENTO Chapter News Updates

May 2011

Hello everyone,

Just a few tid-bits to share.

1. Oh my goodness! Someone has been doing fantastic recruitment in our chapter. We are up to 484 members. We also have 556 people on our e-mail list through MailChimp. Great job everyone! More members equate to more voices on capital hill (state and national), more educational opportunities, more expertise, more fun.

2. State Council meeting in Long Beach on May 12-13. Everyone is invited. Meeting information is found at www.calena.us. Final nominations for state board positions will be accepted there.

3. Voting for national and state board elections coming very soon. For everyone who votes in both elections, your name will be put into a contest to win a free registration to a national conference. Please also vote in the chapter elections when they come around this summer.

4. Chapter board member elections will be held this summer. Final nominations will be accepted at chapter meeting June 2 at UCD. You must have an active membership in ENA prior to the nomination. Positions available include President-Elect, Secretary/Treasurer, and Secretary/Treasurer-Elect.

5. CEN Review was a success. We will hopefully have 17 more CENs soon.

6. 2nd Annual Emergency Symposium coming in October 2011. Look for information in June.

7. If you have anything would like to submit in our chapter newsletter, please let me know. I will be sending one out after the state council meeting next week

Thank you,

Kristen Connor, RN, BSN, CEN, TNCC
