## THE MONITOR

### President's Message

It is hard to believe that 2010 is half over! The time passes quickly when you are having fun. I have enjoyed my first six months leading the California ENA State Council. We had a wonderful meeting in May in conjunction with CFED West. I hope that everyone who attended the conference enjoyed himself or herself. I invited members who had attended the State Council Meeting to my home for a cookout. We had a great time getting away from the bustle and just relaxing. Thank you to those who attended, I really enjoyed having you in my home.

I am happy to announce the results of our 2011 Elections, Marcus Godfrey is your President-Elect, Linda Rosenberg will be your Secretary for a 2<sup>nd</sup> term, Tobin Miller is your Treasurer-Elect and Janet Williams will have another run at Director-at-Large. Linda Broyles will be your President. Let's welcome and congratulate our 2011 Board of Directors. They will serve the members well and continue to lead our State in the right direction.

As most of you have probably seen or heard by now, Ellie Encapera has been elected to the National Board of Directors for a one-year term as Director. Also,

Louise Hummel has been elected to the National Nominations Committee for a term. California now has three members serving within the National ENA. We are making ourselves known as leaders.

I would like to apologize

to everyone for the problems with the email system. I know that we had promised that it would be up and running at the end of our May meeting. We have run into some problems getting passwords to Chapter and Committee Leaders. We are presently working on that problem and also looking into some other sources. In the mean time if you have information that needs to be distributed to your Chapter members, please send it to Tobin Miller at [tobinjmiller@hotmail.com](mailto:tobinjmiller@hotmail.com) and he will put it out for you.

Lastly, I would like to remind everyone that our next meeting is August 12<sup>th</sup> and 13<sup>th</sup> in Sonoma. We will be at the Sonoma Lodge. Please make your hotel reservations through Tobin Miller. I look forward to seeing everyone there. We will be going over the Resolutions and Bylaw amendments that will be presented at the National Assembly in September. It is also our Business meeting.

Our list of Delegates has been released; I encourage everyone to start making your arrangements for San Antonio, Texas. If for any reason you are unable to attend please let Ellie Encapera know by July 9<sup>th</sup> so that she can move someone up the list for your replacement. There are online training sessions regarding the use of the keypads, parliamentary procedures and motions. The first one is July 28<sup>th</sup> 3pm-4pm CST, next being August 14<sup>th</sup> 10am-11am CST and lastly September 9<sup>th</sup> 6pm-7pm CST. I encourage all Delegates to participate in at least one of the sessions.

I do believe that is all the news I have for now! I look forward to seeing everyone in Sonoma and in San Antonio. Have a great summer, be safe and have fun!

*Terri Sturgill, RN, CEN  
2010 Cal ENA President*

### Poison Control funding Update

In response to state budget cuts and direction from the Legislature to seek out alternative sources of funding, over the past year the Emergency Medical Services Authority (EMSA) successfully coordinated with the Managed Risk Medical Insurance Board (MRMIB) to secure approval from the federal government for a federal match to be provided for the Poison Control Centers through the federal Children's Health Insurance Program (CHIP). California's CHIP program is the Healthy Families Program operated by MRMIB. Federal financial participation (FFP), through CHIP, is available for Poison Control Center services provided to low-income, uninsured children (the same population served by Healthy Families), amounting to \$5.4 million which is based on California's regular federal CHIP match of 65 percent FFP. The EMSA has submitted a request to the Legislature seeking expenditure authority for this increase in federal funds of \$5.4 million.

### Background

The Poison Control Centers are a statewide network of experts that provide free treatment advice and assistance to people over the telephone in case of exposure to poisonous or hazardous substances. It provides Poison help and information to both the public and health professionals and is accessible, toll-free, 24 hours a day, 7 days a week, and every day of the year. All fifty states have poison control systems.

The program was initially established in 1987 in ten different hospitals which operated independently and served different geographic regions, without guidance or regulation by the state. This system was eventually consolidated into seven regional poison centers required to meet minimum operational standards. In 1997, a new statewide system was created to provide uniform poison control services, and EMSA contracted with the University of California San Francisco to administer the program. The system maintains interpreting services in over 100 languages.

The General Fund support for the program was reduced by \$1 million in 2008-09 and by \$2.95 million in 2009-10, from \$6.9 million in 2007-08 to \$2.95

million in 2009-10. During last year's budget hearings, several healthcare providers testified in support of funding the Poison Control Centers citing the Centers' expertise that exceeds that of other health professionals, as well as the cost savings in emergency care. The EMSA indicated that, without this new federal funding, the poison control centers would have ceased operations in January 2010.

*Debby Rogers*

### Emergency Care Meets Palliative and End-of-Life Care in this Free 2-Day Course: October 5-6, 2010. Pasadena, CA

Emergency nurses continue to struggle with difficult end-of-life situations. Many issues arise during this stressful time such as good symptom management, ethical dilemmas, communicating with patients and families, and dealing with loss and grief.

A phenomenal educational program called End-of-Life Nursing Education Consortium for Critical Care (ELNEC-CC) was created to address those issues in the emergency department. This two-day course provides participants with the information, skills, and tools to provide good end-of-life care as well as teach others in your communities.

ELNEC-CC received a very generous grant from the Archstone Foundation to fund 100 California nurses to attend this course for free in Pasadena, CA. To enroll, please visit the following website:

<http://www.aacn.nche.edu/ELNEC/2010CourseSchedule.htm>

The regular registration rate is \$500.

Take advantage of this free opportunity to improve your knowledge and skills around palliative and end-of-life care.

*Garrett Chan, APRN, PhD,  
FPCN, FAEN*

## Committee News

### Membership

These are the most current totals for our 12 active Chapters and overall totals for our California State Council as of May 2010. I will also be tracking the overall total number of new and renewing members per month for your added information. These totals are downloaded from the national website. The California Chapter Locator by Counties can be found on the Cal ENA website [www.calena.us](http://www.calena.us) so that you can see the counties areas that our chapters are based upon.

When someone joins ENA for the first time and does not indicate a chapter preference, they are assigned to a chapter based on their mailing address and zipcode location. The national office assigns all new members to local chapters by their mailing address zipcode. IF you wish to belong to another chapter, outside your assigned area, you must do so by requesting another chapter and updating your membership information at the national website [www.ena.org](http://www.ena.org)

Chapter	1/10	3/10	5/10
(223) East Bay	306	323	323
(224) Greater LA	506	529	539
(225) Mid-Valley	247	255	265
(226) Orange Coast	241	251	257
(228) San Diego	334	342	385
(230) San Francisco	240	257	256
(232) Loma Prieta	229	235	233
(253) Sacramento	382	388	390
(362) Inland Empire	279	310	326
(378) Channel Islands	144	145	143
(379) Superior	120	131	129
(442) Kern County	53	57	58
<b>Total</b>	<b>3082</b>	<b>3224</b>	<b>3305</b>

The national office is promoting membership recruitment specials in an effort to reach the 40,000 members mark in 2010, ENA's 40<sup>th</sup> anniversary. If you personally sponsor a new member, take them to a local or state event and introduce them to the benefits

2010	New Members	Expiring Members
January	6	98
February	98	120
March	14	106
April	16	160
May	No data	145

being an ENA member. Tap into their professional talents and encourage them to share their expertise as an involved and contributing member.

CalENA purchased 50 pre paid, RN level memberships for 2010. Chapter leaders requested their initial three membership awards via email to Ellie by the end of January. All awards were due back no later than April 30<sup>th</sup>. Sponsors to these chapter awards will get personal credit for their efforts. **Delegates: California will present the largest delegation again this year** and we are lucky to have a full compliment of **54 delegates and 1 alternate** and more willing applicants in reserve. Those of you in reserve may still have a chance to move up the list, IF any official delegate or alternate forfeits their position. The deadline for cancellations and relinquishing your position on the list is Friday July 9. Those applicants in reserve are willing to serve in case of cancellations, so **if you cannot attend please contact me ASAP** so that others can make travel plans.

Join us at the start of each Cal ENA State Council meeting for our Chapter Representatives Sharing Session to discuss pressing matters, meetings, event, chapter and membership issues.

The results of the Membership and Chapter Survey (11/09) was shared at the January meeting in San Francisco. All chapters contributed. We will focus on what works best, share successes and failures and enhance our association process.

Join the ENA Connection on line at [www.ena.org](http://www.ena.org) providing members with information, professional development, networking opportunities and on-line shopping. The "members only" section is great so check it out and sign up today!

## Committee News

Membership packets are a great tool to recruit or welcome new members. Request information on how to obtain ENA membership applications, benefit brochures and more, **FREE from the national office** for your recruitment needs. Market ENA at your educational events and meetings.

*Ellie Encapera*

### Historian

Liz is working on updating the Roadrunner, a history of ENA and CalENA. Excerpts have been printed in the Monitor in the past. Look for the revised edition to be posted on the web when complete.

*Liz Taylor*

### ENAF

The meeting raffle at State Council had eight prizes and raised \$280 for the foundation. Thanks!

*Diane M. Schertz*

### Education

The group discussed plans for CFED 2011. The committee will do speakers and vendors as in the past. Let [Janet](#) know if you have ideas for speakers.

*Janet Williams*

### Injury Prevention

Christy Adams thanks us for letting her speak at the last meeting. She can send out more BA cards. Victoria Young was guest speaker from DPH Injury Prevention program about Surf – drowning prevention for children and adults in submersion. Will ask her to write an article for the Monitor.

*Patrice Christensen*

### Leadership in Practice

The group of managers talked about regulatory requirements, wireless issues and the use of bracelets to track elopement. This led to many discussions.

*Angela Shannon & Julie Rossie*

### Pediatrics

The committee met again with our faithful few and had a very productive meeting. Our balance is healthy and we have more goals for the year, includ-

ing more research on Intraosseous needle insertion by RNs. We researched the topic and will continue discussion next month. The Arizona Board of Registered Nursing has an advisory position statement on the subject and we will see where California stands and issue our own as needed.

The ENPC book and courses are in the process of being reviewed and revised. We hope the new course will be rolled out at the end of 2011, early 2012. We have found some inconsistencies in how the California ENPC directors are holding their classes and are looking into the possibility of getting as many directors together as possible to exchange information and strategies for successful classes.

The pediatric committee grant for ENPC classes has reimbursed Marty Hay for one of her classes and expects to reimburse Flora Tomoyasu later this month. We continue to offer \$50/student refunds until grant funds are exhausted. Please submit any comments or suggestions to the chair and hope to see you in August in Sonoma.

*Christine Marshall*

### Trauma

California got excellent ratings in the national trauma survey. A conference call with national clarified the reverification process - it can be challenged if your card has expired. The committee impressively scored John Jones, state Trauma coordinator as guest luncheon speaker at State Council. Three instructor courses are coming up, two in June and one in July. The winner of a year's ENA membership from the TNCC course today was very excited! The committee funded three grants to put on TNCC courses: San Luis Obispo, Oxnard and San Bernardino. Three instructor courses were held: one in June at UCLA and two in San Diego in June and July. The plan is to have faculty training courses in both the North and South.

*Gail Dodge*

### EMS Commission

The new EMT regs were distributed as well as info on EMT 2010. Funding for Poison Control Centers has been extended through 2011.

*Matt Powers*

## State Council News

### EMS Committee

The group had a conference call and talked about legislation. There was a big discussion about rectal Valium being given by school secretaries when the RN is not available. There was discussion about the budget cuts. The Stroke and STEMI guidelines are completed. Pre-hospital documentation may be linked up with hospital documentation as more organizations go live with electronic records.

### Government Affairs

Many bills are being watched. *Protect My ED* lanyards were passed out to each chapter. Plan to co-sponsor a bill to make it a felony to attack an ED worker. AHA had a Lobby Day on May 19 to put AED bill back in circulation.

*Marcus Godfrey*

### State Council News

**Treasurer Report:** : We have an accountant to help with our financial reports. She wants to use a new procedure to record check registers on a monthly basis for chapters and four special committees (Trauma, Pediatrics, Education and Injury Prevention). They can be found on the website on the Documents page. They are due at the end of every month. All the other committees need only submit a budget in November, as they have in the past. Delegates will be supported for a fourth day, so they could get up to \$300. Be sure to apply for delegate status if you are going to national in San Antonio. Also fill out expense form for your chapter to account for any other funds the chapter gives you as a delegate. We are trying to avoid double-dipping. Expense forms are available on the web site. Again, Committee budgets are due by the November meeting in Huntington Beach.

**Nominations** for next year's officers were open until the end of meeting:

Pres-elect: Marcus Godfrey

Treasurer-elect: Al Duke, Tobin Miller  
Secretary: Linda Rosenberg,  
Linda Chessmore  
Director-at-Large: Carol Snyder  
Janet Williams

The actual ballot was posted on the web site until voting closed on June 15.

**Magnet Mail** is now up and running, according to Janet. Terri is letting chapter leaders know how to access it and she is assigning privileges in emails. Access will be restricted due to new associated fees. We are billed a few pennies for each email address mail is sent to. The previous OCALENA system will remain up for a short time.

**Trauma Com** - Marcus reported on the five point CalDocs scale to be used to determine ED acuity. Look for an explanatory article soon.

**Bylaws and SOPs** are now updated. We are still waiting to hear Vicki Sweet's opinion on how they align with national.

**Conflict of Interest** forms are done and Chapter leaders and Committee chairs should fill them out and send to [Linda Rosenberg](#).

**Save My ED** We have partnered with this group and have a link on our web site. They have been collecting interviews of ED staff to bolster their campaign to keep funding for EDs. If you get a survey from them, we are asking that you fill it out. They are currently interested in how EDs manage Call Lists.

**CFEDwest** – [Terri](#) is asking for feedback on May's conference to help determine how we will relate to them in the future. We will partner with them again next year. Terri will meet with them during the year. The Education Committee has already been arranging for nursing-track speakers. Their meeting next year will be on May 31, so we will not have our State Council meeting prior to it as we have in the past.

WHEN SECONDS COUNT

**TAK RESPONSE**™

September 14 - 16, 2010 • San Jose Convention Center • San Jose, CA.

## Chapter News

**TAK Response**, a conference similar to CFED, but in Northern California, is planned for September 14-16 in San Jose. Matt reports that we are partnered with them and if you use Source Code 10001 when you register, you will get \$25 off. Find them at:

[www.takresponse.com](http://www.takresponse.com)

**Scholarships** Two applications were received and they will be awarded at the next meeting.

**Membership Recruitment:** Ellie says that 50 pre-paid memberships went out and most of them got used. We will do it again next year. There was one left over from last year that was awarded at the TNCC course held in Palm Springs during CFED and another was raffled at our booth during CFED. Both winners were very happy and appreciative. Now, let's just hope they renew next year.

**Delegates:** With 3305 members, we are once again, the largest state and we will send up to 56 delegates. Applications were due by June 5, but late applicants may still get in if there are nay cancellations. Check with [Ellie](#). There was discussion about having a conference-call/meeting to discuss Resolutions and By-laws changes prior to the conference. A decision will be made at the August meeting. The State will be buying tan shirts for the new delegates.

Returning delegates will wear the tan shirts they used last year.

**State Challenge Award:** Our contribution will be in excess of \$6,000. National ENAF exceeded their goal of \$82,000 by \$8,000.

**National Update – MyENA** is accessible from [www.ena.org](http://www.ena.org) and is like Facebook. Matt recommends it. There are a number of interest groups to join. We hope you voted in the national elections in June. We had two Cal ENA members running: Ellie Encapera for Director-at-Large and Louise Hummell for Nomination Committee member from Region 1.

**Meeting Locations** Tobin made up cards with info about the August 12-13 meeting at The Lodge at Sonoma. The address and phone number are listed on the back cover. If you want to reserve a room at our special price of \$199 (or \$234 for the upgrade), fill out the form at this site: [www.surveymonkey.com/s/WLKSSTS](http://www.surveymonkey.com/s/WLKSSTS)

November meeting will be at the Shore Break Hotel in Huntington Beach. There was discussion about doing something fun at the meetings, such as the ENA Bowl that was held annually in the past. Matt suggested a Survivor-type camp. What do you think?

## Chapter News

**East Bay Chapter** had a drowning event in April.

**Greater LA** has been busy. They had Linda Sanchez tour several EDs. They held their annual EDAP conference in October at PIH in Whittier. Their next quarterly meeting will have a 4hr CE presentation. They tried a conference call last month, but only a few called in. They got four matches for the Membership Challenge.

**Mid Valley** has had great meetings this year. There were 30 people at their first meeting in February and they were able to fill their slate of officers. In April, Donna Mason came to St. Agnes and gave a talk on research with 25 in attendance.

**Orange Coast** held meetings in February and April with increased attendance. They will sponsor a TNCC in summer and fall. They are also looking for applicants for the Gary Sparger Scholarship.

**San Diego** At their annual 911 Conference, they had 135 attendees. Just did another conference with 4 nursing groups on a panel that was great. They also had a representative from Cisco do a presentation on wireless nursing. They will try to do a poster for national. An Infection Protocol for dog bites is in process of being funded. But wait, there's more. They are trying to get an ED Manager Subcommittee going.

## Chapter News

They held a CEN Review June 4-5. And they matched the four memberships the state gave them, for a total of eight new memberships awarded!

**San Francisco** James Bruhn, our president, has resigned from his position. James is in the Army Reserves and has just elected to be placed on active duty. Rachel Perry is guiding Jocelyn Weiler, our President-elect, into the President role. So far this year we had 8 participants in a CEN Review class with Pam Bellifeau. It went very well per Jocelyn (she set the whole thing up). We also just had about 15 participants from multiple EDs throughout our chapter for a Baxter-sponsored dinner at the downtown SF Hyatt to teach us about Hylenex. We have yet to have a formal meeting, but we will be working on that soon. We definitely will be present in Sonoma for the next state meeting. Some of our members will be offering rides from the airports. Check with [Mark Wandro](#) or the [MyENA](#) blog.

**Channel Islands** No report

**Loma Prieta** Recent meeting topics included *Lucid Daignosis in Emergencies* and *Domestic Violence*. The chapter had posted a survey on their web page on RN Attitudes Towards Alcohol Patients and over 100 responded.

**Inland Empire** changed their meeting site to increase attendance. Their *Fools Rush In* event in April was wildly successful. A trauma surgeon and Kristi were speakers. There was a patient with LVAD and they listened! There was a presentation on Transition to Flight RN. Denise Breton, the medical examiner, also

spoke. They have Trauma shirts that are really great with dyed-in-pictures for \$20.

**Sacramento** is still getting 20 at meetings. The fabulous Legislative Day in March was a big success. They leafletted all the legislators. Their Second Annual Camping Trip will take place in July. In October they will have a unique educational event on Evidence-Based nursing with regular RNs doing 1 hour lectures. This is a trial run.

**Kern County** submitted all three Prepaid Memberships on time and requested an additional two more to help boost our membership and entice new blood to the chapter. We had a fabulous and enjoyable TNCC class taught by Vickie Dippner-Robertson's team from Desert Regional Medical Center. Thanks Vickie! Two members of our chapter had a great learning experience during our LEG Day visit in Sacramento. Thanks to Kristen Connor for being such a gracious host. We plan to have an educational offering this October in time for ED Nurse's Week.

**Superior** produced an event on SIDS earlier this year and co-sponsored an EMS event.

## Official Delegate & Alternate List—2010

Delegate/Alternate	Chapter	Points	Delegate/Alternate	Chapter	Points
1.Terri Sturgill (President)	IE	355	45.*Wendy Rosenberger	SD	125

## News from Judy

### CATN Courses

Currently no CATN courses are scheduled. Be sure to check [www.ena.org](http://www.ena.org) for the latest course postings.

### CEN Review Classes

Call one of these providers for their next class:

**Selfridge, Sparger, Shea Assoc.**  
**(800) 270-2500**  
**CME Associates (714) 998-2208**  
**Paragon Education (800) 997-9937**  
*(previously Randolph Associates)*  
**Cathy McJannet**  
[cathy.mcjannet@usa.net](mailto:cathy.mcjannet@usa.net)

This is a picture of founder Judy Kelleher, her daughter Patty Sullivan, RN, FNP (right) and friend Judy Scott, RN MHA, both members of the Sacramento Chapter of ENA (where Judy resides). Patty is giving her the pin commemorating the 40th Anniversary of the Emergency Nurses Association.

Judy is doing well. She fondly remembers her friends and years as a nurse and her affiliation with ENA. She is anxiously looking forward to her granddaughter's wedding the last weekend in June. She recently went to a bridal shower and had a wonderful time.

In July, National ENA is sending a film crew to film her giving an opening statement for General Assembly.

You can earn one (1) CE, at no cost, for reading the Monitor. After reading the newsletter, complete the evaluation below and email or mail to:

**Janet Williams: [jwilliams1@childrenscentralcal.org](mailto:jwilliams1@childrenscentralcal.org)**  
297 W Lindquist St  
Kingsburg, CA 93631-2699

You will receive your CE certificate within 90 days by mail. Provider approved by the California BRN Provider #10609 for 1 contact hour.

Objectives:

After reading the Monitor the reader will be able to:

1. Know State events in next 3 months
2. Be able to find current TNCC and ENPC courses.
3. Know what selected committees are doing.
4. Learn activities of state chapters.
5. Discuss highlights of State Council meeting.

Name \_\_\_\_\_ License# \_\_\_\_\_

Address \_\_\_\_\_

1. Name our 2010 officers.
2. Who is the newest Cal ENA member on the national board?
3. Is CHIP funding Poison Centers because of their connection with the Highway Patrol?
4. How do you get to attend the ELNEC-CC in Pasadena for free?
5. How many delegates will we have in San Antonio?

# Next Meeting

Thursday, August 12, 2010

**Board Meeting: 4-7pm**

Friday, August 13, 2010

**State Council Meeting: 9am-3pm**

at

**The Lodge at Sonoma**

1325 Broadway at Leveroni & Napa Roads

Sonoma, California 95476

707-935-6600

**California Emergency Nurses Association**
