CONGRATULATIONS!!!!

The National ENA office announced at the end of March that there were officially 40,051 members!!! We have achieved the goal that was presented to us!!!

These are the most current totals for our 12 active Chapters and overall totals for our California State Council as of May 1, 2012. I will also be tracking new and expiring members as well on a monthly basis.

When new members join ENA they are not always assigned to a Chapter. When reviewing the monthly membership new unassigned members are noted on the end of the roster. I assign them to Chapter based on their mailing address and zip code. If for any reason you would want to be part of another Chapter, you must do so through National ENA at www.ena.org

Remind members to keep their email, mailing address and phone numbers current with the National ENA office. This helps provide communication to our members, especially since we are using electronic methods of communication.

If you have any questions please don't hesitate to contact me via email at tsturgill6@yahoo.com. I will do my best to help with any questions or information needed.
