Hot August Days and Nights
Summer is an exciting time of year for most of us. Vacations, travel, sun, fun, etc. At lot is happening in Cal ENA at this time also. We have our Third Annual Educational Conference on August 7 at Lake Tahoe. (See flyer on page 11.) There will be classes on hot topics, from Pediatrics to Geriatrics, from In-flight to Psychiatric emergencies, from Simulations to Human Trafficking and International Collaboration. It will be at Harvey’s, Stateline, NV, so come to learn, but stay to play and have fun. I know that it will be well-attended as most of the rooms at Harvey’s have been booked already. But there are plenty of other places to stay in the area. Be sure to come for the State Council meeting on Friday, August 8. In addition to the business of the nearly 4,000 member state organization, we will be making plans for our annual trip to the national ENA General Assembly in Indianapolis, IN. This year we know there will be many more resolutions than last year. Look for the actual written texts in August. We are lucky to have just the right amount of delegates this year. Louise Hummel, who is doing a wonderful job organizing all of this, reports we have all 57 of our allotted slots filled. But we always need extras for backup. Please contact Louise if you wish to be a delegate. There is some monetary compensation for the two-three days you spend with the delegation. And you get to wear our newly designed Cal ENA delegate shirts. Another big happening this summer is the announcement of the results of our elections in June. We will have a new board to show off at the August meeting, even though they don’t take office until January 2015. Look for an announcement soon. And it is never too early to plan for our annual Cruise & Education to Baja in November. Once again, we will be on the Celebrity line, but this time for 5 days, returning just in time for our November 13/14 meeting on the Queen Mary in Long Beach. So get in your festive gear, put your mind in gear for some debating and have fun with Cal ENA this summer and fall!!

Mark Wandro

March 2015: Sacramento
May 2015: Riverside—Mission Inn
August 2015: Santa Barbara
Next Newsletter Deadline
October 10, 2014
**Riverside Meeting - May 9, 2014**

**Treasurer’s Report** – David Samuelson

We are doing better despite our lower dues. Wells Fargo had a problem, deleting all chapter names except 3 new board officers. It is gradually being fixed. Email David if you need help.

We now have our 501c3 status. We don’t need a permanent PO Box. There will be a Treasurer’s workshop to bring all chapters and committees up to date. We will invite chapter treasurer/presidents to a national conference call for Treasurers. Budgets are due by September 1, or next meeting. Will change funding for Trauma and Pediatrics. IQSIP and Education will no longer have their own checkbooks. Financial reports are due to David, the State Treasurer monthly, from all chapters and committees that write checks. This will keep us in line with 501c3 regulations and help our bookkeeper organize our transactions more efficiently. Forms are available on www.calena.us with instructions.

**President’s Report** – Carole Snyder

**Conference registration and PayPal.** Please contact David, our state Treasurer, to set this up for your chapter’s conferences. Do not do this on your own or with another business.

**Correspondence** – many letters of recognition were sent to employers by Carole. Ask her if you want one for your boss.

**Resolutions** – Ohio has a request for support for their EMS proposal, but it is not clear what they are asking for. National BOD has already approved an EMS work group. There is another one on meaningful use to allow RNs to enter Protocol Orders in EHRs. The council approved support for this one. There are also two resolutions sponsored by our own Leadership/Practice Committee: Mild Traumatic Brain Injury and Prescription Drug Abuse.

**ACR 84** approved for EMS week and Freddie Rodriguez wants reps from ENA to come to Sacramento to be present on the capitol floor – if you can go May 15, let Carole know.

**Student Nurses** have an event in October and they want Cal ENA to be there and rent a booth for $1300. We won’t support at that level, but we will tell them that we offer scholarships and will have reduced student nurse rates for our Tahoe conference. Please do the same for your local conferences.

**National Committees:** July 1-30 will be the open time frame to get on a national committee (look online). Fill out the application, you may be selected.

**National Conference registration** – we have one free registration to be given away at August meeting if you voted in this year’s elections – send in your national receipt to Carole. Your state ENA number registers your state vote anonymously when you vote.

**Vendors** for state meetings will be charged $500 or lunch fee. Ask them to contact Janet, Director-Large.

**Website posting** – who can post? The President, Past president, President-elect, Webmaster, Secretary, and the Press Secretary should have posting privileges. These should roll-over to the next officer, so we won’t be stuck if someone leaves office and the area.

**Board Reports**

**CHA** – no report, Heather Venezio just got accepted as a member.

**Community Paramedicine** – we do not oppose, we accept the talking points. ANA, national ACEP are in favor. Cal ACEP, CNA are opposed. Project will be

---

**National Update** – Michael Moon

*Day on the Hill* was last week. It focused on re-authorization of Trauma Bill with $28 million and the Mental Health First Aid bill that will help keep patients out of the EDs (it is like stroke care, it will help police, service providers and teachers recognize the signs of behavioral problems. Your California representatives did a great job (David Samuelson, Tim Rohan, & Juliette Esswein).

2015 Conference Planning Committee needs members by June.

The national Governance Assessment is ongoing. There will be 9 Bylaws and 10 Resolutions for GA in Indianapolis. National elections are open from May 13 to June 11. Information is posted online. We need to do better to get returns above 10% (it is usually 6%).

Check out the free CE that ENA offers on their site. TNCC 7th edition is out, no more 6th edition after June 30. Read the book and do the online modules if you want to pass. GENE is out online – AARP is now aware of it. Next national BOD meeting will be in July.
revised it and sent back out later. See Kara’s article on the web that summarizes Cal ENA’s stand.

Unfinished Business
Violence Project – see report in Committees
Bylaws are fine now – they are reviewed and revised, but not templated (formatted). Will be out in a nice form before the next meeting.
Monterey wants to be a chapter, but has not come to any State meeting. It has been a year, so BOD needs to decide, will table until next meeting.
Scholarship Apps are due May 15. Applications are on the web site.

Delegates/Voting – Delegate forms with your points, RN license and special credentials are due by June 5. Please send them to Louise Hummell Instructions and forms are on the web site. Voting for state officers will again be by Survey Monkey ballots. State voting will be open from June 1-July 1, 2014. National voting is open May 13-June 11. There are links at ena.org to see candidates, ask them questions and learn about their positions. National voting is done by an outside 3rd party. Be sure to send in your national receipt to Carole to be eligible for the free registration drawing.

New Business
New meeting times – during the first hour of State Council, from 0800-0900, there will be two separate one hour meetings, one with Chapter Reps and one with Committee chairs. Then the committees will meet in three 1-hour time slots, using two slots for one committee when necessary. This worked well at the Riverside meeting and more members were able to attend more meetings, no one went over an hour. Lunch will be 1215 to 1315, then State Council will begin at 1215 and go until 1630.

Nominations for state office will be open until May 31, 2014. Following is the slate so far:
  Dir-at-Large – Patrice Christensen
  Treasurer – David Samuelson
  Treasurer-elect – Louella Buell
  Secretary – Agnes Faria
  President-elect – Janet Williams

Meetings for 2015 - The council discussed whether we should have 5 or 4 meetings/year? Expenses are an issue, we are getting less from Trauma and a little less from Peds due to their QI processes. Travel, getting to and from airports is another issue - we can do a spreadsheet of travelers and share via email prior to meetings. There was also discussion about sharing rooms, but Janet told us that we need to book at least 25 rooms to get our meeting room fees waived (can be $3-5,000) The council voted to have 5 meetings next year and approved the following schedule:
  January – San Francisco or Oakland, Marine’s Memorial?
  March – Sacramento, March 18-19 Wed-Thurs for Leg Day
  May – Riverside, Mission Inn
  August – Santa Barbara
  November – San Diego

The documentary feature The American Nurse: Healing America, directed by Carolyn Jones, was released in theaters nationwide on May 8th 2014. AmericanNurseMovie.com

Also, The Waiting Room the movie about Highland Hospital’s ED is available on Amazon for about $21 for a DVD and $10 for a digital download.

Notes taken by Mark Wandro

Vicki D-R worked the Cal ENA booth at the recent CFEDwest Conference in Palm Springs.
Chapter Reports

Channel Islands – we are planning ENPC and TNCC classes in September. Our next meeting is on May 29 in Ventura. We are working on Sidewalk CPR on June 15.

Cheryl Evans Cobb

East Bay – on March 24, we had our first meeting at John Muir Medical Center in Concord. Ten people were in attendance. A CalStar Flight RN did a presentation of a pediatric mock code. Our next meeting will be on May 28 at John Muir again in Concord.

Louella Buell

Greater Los Angeles – our last meeting was held on April 2 at Glendale Memorial Hospital. Education has been a recurring topic, the initial idea for hosting a CEN Review has been cancelled, instead the chapter will co-sponsor a one-day Pediatric Course, with timely topics, joining PIH in Whittier on October 7, 2014. At our next meeting we will finalize the name of our CE Scholarship, it will likely be entitled, “Jean Kirby EMS Continuing Education Scholarship”. The funding is from part of the EMS Medallion sales. From one to three scholarships will be awarded at the above Pediatric Course, with qualifications to be decided at the meeting. To enhance Retention and Recruitment, the President and R&R chair have been sending letters of welcome to new members and reminders to renew to those with expiring memberships. Next meeting will be May 14 at Citrus Valley Medical Center, Queen of the Valley Campus in Meeting Room 3. Among items on the agenda is the delegate application process and voting reminder for the national election.

Barbara VanEck

Inland Empire – our Timely Topics event will be next year on April 17. The event is called “Let’s Get Psyched!” and will focus on psychiatric emergencies. More info to come as we get closer to the event. Our chapter is selling long-sleeve shirts in navy and white colors. They say “Emergency/Trauma on the front and back with the EMS logo. They also come in two different titles: “Nurse” and “Staff”. Contact your Inland Empire representative if you wish to purchase some. They are $20 each, or 5 for $100.

Carlo Orozco

Kern – we are doing a TNCC on August 9-10 this year from 0800-1730 at Bakersfield Memorial Hospital Learning Center. Contact Stephanie Hukill at (661) 327-4647 ext 3168, or email at: Stephanie.Hukill@dignityhealth.org. Fees are: ENA members: $325, Non-members: $350. Late registration after July 26 is $375. Our monthly meetings continue on the second Tuesday of every month, 0800 at Mimi’s Café. Both members and non-members are welcome to attend.

Susan Laverty

Loma Prieta – Our Annual Update has been rescheduled to June 20, 2014. We have a diverse group of speakers – ranging from Street Drugs to Dementia to a personal account of Spinal Cord Injury. We meet monthly on the 3rd Thursday of each month – except for our Holiday Soiree, which is in the first week of December. Everyone is welcome.

Diane St. Denis

Mid-Valley – We met on April 8 at Marie Callendar’s in Fresno. We will be having our next meeting on June 10 at Children’s Hospital Central California, Room 150B at 1930. We will be screening “The Waiting Room”. We will be providing dinner and movie snacks. Please RSVP to Janet Williams at jrae00@sbcglobal.net

Janet Williams

Northern Los Angeles – Our last meeting on the ED Treatment of Adult and Pediatric Burns was a success. We hope to offer more educational events with CE credits in the future. Our next event is June 17 when on behalf of AstraZenica, Dr. Sobnofsky will be discussing the use of Brilinta in MI patients. We are continuing to sell shirts and promote awareness and involvement in ENA.

Melissa Renfro

Orange Coast – We are holding a CEN Review and Emergency Nurse Update class on July 12-13. The Course Director, Wanda Pratt, RN, MSN, CEN, taught the class previously at Mission Hospital in Mission Viejo. This is a great opportunity for the nurses in Orange County to access a class close to home. Plans for ENA Week in
October are under way. The chapter will celebrate by offering raffles, a dinner featuring the film The Waiting Room, networking and dissemination of information for greater involvement in ENA.

Phyllis Robby

Sacramento – We’ve been busy:
April 9: Bombings Seminar in collaboration with the Sacramento chapter of AACN. There was good attendance with about 30 ENA members.
April 29: Chapter Meeting with CE topic ED Care of the Psychiatric Patient. There were 30 attendees, including 16 students from Sac State.
April 30: Sim Event had 18 attendees who gave excellent evaluations. Topics included snake bites, malignant hyperthermia, hypertension and trauma.
May: We will hold our meeting by teleconference June 16: Next meeting physical meeting with CE topic Violence in the ED with Dr. K. Jones from Cal ACEP speaking. We will hold a drawing for registration to the August State Conference in Tahoe. Eligibility for the drawing includes: 1) attendance at 2 of our conferences or meetings, and 2) sending receipt of voting in national elections to our chapter president, Sandy Baumen.

Sandy Baumen

San Diego – Our annual 911 Conference on April 25 was very well received. We had excellent presenters and vendors. A special thanks to mercy Air, Stryker and AMR, our platinum sponsors for their support. Congratulations to our San Diego Chapter 2014 Scholarship winners: Dawn Smith and Samantha Beveridge.

Dianne Idman-Gervais

San Francisco - We had a very successful ED Nursing Symposium at San Francisco General on April 14. Our stats for the conference were:
⇒ 110 participants, including attendees from nearby chapters;
⇒ 7 vendors (who paid for breakfast and lunch);
⇒ 30 new members (they were offered free tuition if they signed up for the conference);
⇒ $5,700 profit!

Mark Wandro for Tobin Miller

Committee Reports
Education
The brochure for our 3rd Annual ED Conference was finalized at the State Council meeting and has been posted on the web site, along with the PayPal button to register and pay. The all-day event at Harvey’s Lake Tahoe offers 7.5 CEs. So far we have 6 vendors and all the speakers are confirmed. We also want to have research poster presentations and have commitments for at least four.
Planning was begun for the 2nd Annual ENA Cruise in November. It will be a 5 day cruise to Mexico from Sunday to Thursday, November 9-12, 2014, just before the State Council meeting on November 13-14, 2014. Tobin will make arrangements with Carnival, but due to other issues, Janet Williams has agreed to champion the educational part of the cruise.

Mark Wandro

EMS
Violence in ED – proposal for legislation is in progress;
Stroke & STEMI Task Forces are not meeting. We feel they are waiting for the Core Measures Committee to finish their work before they proceed;
Core Measures – they are writing indicators to standardize procedures in Stroke and STEMI across the state;
Community Paramedics – ENA does not oppose the concept. At the last public hearing, multiple speakers spoke out against the project, including Cal ACEP and CNA. Carole has asked the EMS Committee to include points we approve of in the project.
AED Regulations – the EMS Com discussed how cumbersome the current regulations are and they would like to further address current legislation and what can be done. They plan to partner with ARC and AHA to investigate legislation to simplify the process.
Judy would like to see an app that would help locate “heart safe” facilities, that is, ones that have an AED freely available.

Judith A. Scott
ENAF FundRaiser
The State Challenge ends on May 31. Cal ENA donations were $1060. Today’s giveaway raised $365. Then we started receiving donations of: $750 from Greater LA; $275.08 from Education; $3630 was pledged from the floor by several other individuals and chapters. This brought our State Challenge money to $6085, well over the $5000 needed to name a scholarship!

Educational Scholarship applications from ENAF are due by June 1;
Annual Conference Scholarships applications are due by July 1. There are 20 %500 scholarships available. Information about scholarships can be found at: www.ena.org

The next national Fundraising event will be the Jewelry Auction at the Annual meeting in Indianapolis;

Thanks to the Inland Empire chapter for the donation of multiple gift baskets for today’s prizes;

Government Affairs Committee
Kristen and I attended Cal ACEP’s Leg Day on April 22 in Sacramento. Governor Brown and Lt Governor Newsom spoke. Governor Brown gave a humorous historical account of California politics. Lt Governor gave a presentation with the future in mind and how technology is rapidly changing our lives.

A letter of support was sent to Assemblyman Freddie Rodriguez on ACR 84 which will establish EMS Week May 18th to May 24th. ENA has been asked to send a representative to attend a presentation on the floor of the Assembly on May 15th.

Currently I am writing a letter of support for AB 2217 and looking for brief summaries of experience where and AED at a school saved a life to include in the letter.

We are currently watching two bills on naloxone: AB 1535 which would allow pharmacists to provide narcan to family and friends of someone at risk for an opioid overdose and AB 1438 which involves gathering data on opioid use/abuse.

Violence in the healthcare setting. We had a conference call with Ken Steinhart on April 28th. Ken will draft language for a bill. Jen Denno is planning a meeting with staff of Senator Gaines to discuss his willingness to sponsor a violence bill for us.

Kara Davis

Leadership/Practice
Violence Study – next steps are to move forward with a feasibility survey in Ventura County in July. The study has passed IRB approval, it was deemed exempt.

Resolutions: Both resolutions, 1) Mild Traumatic Brain Injury and 2) Prescription Drug Abuse have passed through the national Resolutions Committee. We are now seeking supporters for these resolutions from other state boards and professional organizations.

Practice Discussions:
Care of the Pediatric Psych Patient in the ED – many chapters and counties report difficulty placing pediatric patients;
Lateral Violence (Bullying) – some hospitals have instituted policies against bullying. Let’s encourage nurses to report this behavior.

Teamwork Training in the ED – we discussed the use of Team Stepps Training from the AHRQ website to improve communication and patient safety in the ED.

Kathy VanDusen

Membership
When new members join ENA they are not always assigned to a Chapter. When reviewing the monthly membership new unassigned members are noted on the end of the roster. I assign them to Chapter based on their mailing address and zip code. If for any reason you would want to be part of another Chapter, you must do so through National ENA at www.ena.org

Remind members to keep their email, mailing address and phone numbers current with the National ENA office. This helps provide communication to our members, especially since we are using electronic methods of communication.

If you have any questions please don’t hesitated to contact me via email at tsturgill6@yahoo.com. I will do my best to help with any questions or information needed.
Committee News

I am emailing the new member list and the expiring member list to the Chapter Presidents. This will allow you to see your new members and welcome them to your chapter and provide them with information regarding your meetings. Also, you may contact the expiring members to encourage them to rejoin or as to why they are letting their membership expire.

Terri Sturgill

Monitor/Web Site

The printed May Monitor was available at the meeting in Riverside. You can always download digital copies on the web site. Notice was posted on the Cal ENA Facebook page.

I am looking for some meaty submissions for the next edition, due out in late July for the August issue. The deadline is July 1, 2014. Be sure to fill out the Chapter/Committee Report forms on the tables with info on your chapter or committee. They are also available on the web on the Documents page if you prefer to submit them digitally.

Currently the Monitor carries sponsorship graphics for OBP Medical. OBP has a new graphic featuring their new disposable laryngoscope. Please support them. The web site has been updated with registration info on our August conference at Lake Tahoe. Several chapters have updated their pages and list upcoming events. If you have your own chapter website or Facebook page, let me know on your report and I will include the link. The Education page lists ENPC, TNCC and CEN Review courses that members have told me about. I will be happy to post any events for your chapters.

I’m still looking for anyone interested in running the Monitor, the web site or both. I’ll be happy to mentor and get you started. The San Francisco chapter recently hired someone to redesign their chapter using Weebly. It is a very clean design and was not expensive. You can see it at: http://sfena.us. It is possible that someone could use that software to redesign the state web site, it may be more user-friendly.

Mark Wandro

Pediatrics

We are eagerly awaiting a volunteer to take responsibility for Mid-state Pediatric Regional Director. There are 13 approved monitors for ENPC in the entire state. Our first ENPC state-sponsored Instructor class was cancelled due to a manual distribution delay for the Provider class in Ukiah. Their newly scheduled Provider class will be June 26-27, 2014. We will discuss having a Provider class following it.

Pediatric Grant forms are available on the Cal ENA website. Reminder: California EMS for Children Forum Get Ready for Kids will be held at the Palm Springs Convention Center on Monday, May 19, from 0700-1700. This will precede the start of CFEDwest in the same location.

Vickie Dippner-Robertson

SQIP (Safety, Quality & Injury Prevention)

We welcomed first-time attendees to the committee, including Michael Moon, from the ENA national Board of Directors.

Jen Denno & Christine Marshall are writing an article on Alarm Fatigue for the JEN.

Violence Project Update: (Marcus sent a written report)

Chesapeake reviewed our application and determined that our study is IRB exempt;

The feasibility study that is going to be conducted in Ventura County will probably begin in July;

Marcus is still trying to get CHA’s commitment to support the project. He states that Cal ACEP and the Security Guards’ Association is in support.

Committee News

Government Affairs Update
On June 24, 2014 the House of Representatives voted to approve legislation to help fund our nation’s trauma care systems. HR 4080, the Trauma Care Systems and Regionalization Act would authorize grants to support state and rural development of trauma systems. Over the past years many of our trauma centers have closed due to lack of funding. This bill is now on its way to the Senate for further consideration. It’s important that Congress hears the voice of Emergency Nurses in support of this bill. Please sign onto ENA’s EN411 alert program so that your voice will be heard. Our national ENA advocates have made this process easy and efficient. Here’s the link: [http://cqrcengage.com/ena/app/register?1&m=8977](http://cqrcengage.com/ena/app/register?1&m=8977)

California Emergency Nurses Association Education Committee proudly presents....

3rd Annual Emergency Nursing Conference

AUGUST 7, 2014

Come join the California ENA Education committee for a one-day conference from 0830 – 1800 on August 7th at Harvey’s South Lake Tahoe! A variety of topics will be presented, describing current trends and treatment in emergency care. Following the conference, spend the night at Harvey’s and attend the California ENA State Council Meeting on August 8th!

0830-0900: Registration / Welcome
Breakfast Sponsored by Teva Pharmaceuticals

0900-0930: State of the State (ENA Update) – Carole Snyder, RN

0930-1030: Human Trafficking – C. Leanne Kozub, RN, BHCA, CLNC

1030-1045: Break with our vendors!

1045-1145: Pediatric Readiness in ER – Nancy McGrath, MN, RN, CPNP-AC/PC

1145-1230: Lunch with our vendors!

1230-1330: Commercial In-Flight Emergencies – Tobin Miller, MSN, RN, CEN, CCRN

1330-1430: Designing and Conducting Simulation – Jennifer Denno, RN, MSN, CEN

1430-1445: Break with our vendors!

1445-1545: Geriatric/Bariatric Trauma Hour – Molly Groban, RN, MS, MAEd, CCRN, CEN, LNC, SANE & Vicki Dippner-Roberston, MSN, RN-BC, CEN, CNM, CPEN, LNC, SANE

1545-1645: Nursing Collaboration in Developing Countries – Cheryl Wraa, RN, BSN, MSN

1645-1745: Care of the Psychiatric Patient in ED – Heather Theaux Venezio, RN, MS, CEN

1745-1800: Evaluations and wrap up

Register online at www.calena.us

Student Rate: $30   EMS Rate: $50   ENA Member: $90   Non-Member: $120

- This course is approved by the California Board of Registered Nursing, Provider Number 10609 (California Emergency Nurses Association) for 7.5 contact hours and by the County of San Diego, Division of EMS, SD County EMS Provider #37-0509 for 7.5 hours of BLS/ALS education.
- Cancellations after July 31st are not eligible for refund. Cancellation prior to July 31st are subject to full refund - $20 processing fee.
Next Meeting

Thursday, August 7, 2014
3rd Annual ED Conference: 9-6
Board Meeting: 6-8pm

Friday, August 8, 2014
State Council Meeting: 8am-4pm

Harvey’s Lake Tahoe
Highway 50 at Stateline Avenue
