

ENPC™

EMERGENCY NURSING PEDIATRIC COURSE

An **ENA** Course

INTRODUCTION

ENPC, the premier evidence-based emergency nursing pediatric education course, developed by pediatric emergency nurses, provides a standardized core level pediatric knowledge to improve the care of pediatric patients from birth to adolescence.

This 1.5-day hands-on intensive course combines classroom learning with interactive scenarios.

Verification of successful course completion is based on passing both the written exam and skill-based hands-on assessment.
