## TMAC CONFERENCE 2019:

Navigating the Challenges in  
Trauma Care

### July 11, 2019

The *Trauma Managers Association of California (TMAC)* invites you to participate in our annual TMAC Conference. This 1-day education event provides an opportunity to hear topics from trauma experts across the continuum of care that impact trauma care around the globe. The TMAC Conference also offers attendees the opportunity to network with other trauma professionals and leaders from across the state.
